

Making * *Matcha*

by Mallory Swain

February 22, 2026

*What is** *Matcha?*

- Finely ground green tea powder
- Traditionally Japanese
- Rich in antioxidants
- Smooth and earthy flavor

* *Tools That You Will Need* *

- Matcha powder
- Bamboo whisk
- Bowl
- Sifter
- Hot water

Heating the Water *

- Heat to 160-175°F
- Do not boil
- Let it sit for 1 to 2 minutes if needed

Sift the * *Matcha*

- 1 to 2 teaspoons
- sift into bowl
- prevents clumps

Adding the Water

- Add 2 oz of hot water
- Start slowly
- Mix gently

Whisking Properly *

- Whisk in an M or W motion
- Fast light wrist movement
- Create a light foam
